GORDON Brown is hooked on humming along to a kids' TV show's theme tune.

The PM revealed he can't get popular cartoon Ben 10's title song out of his head.

Son John, four, is a big fan of the fantasy series, shown on Cartoon Network.

Asked what was on his iPod, Mr Brown told local radio in Oxford: "I'm moving away from the Arctic Monkeys."

"I am listening to things my son is - and Ben 10 is the big thing at the moment."

Mr Brown was derided in 2006 when he admitted he loved Pop Idol.
